St. Paul Ev. Lutheran Church

April Newsletter

Dear St. Paul Family,

April showers are bringing out amazing colors in our world. The greens are returning as well as all the colorful flowers and birds. We can see the hand of God all around us! Spring is an inspiring time to grow and follow His “Son”shining in our lives.

This is also the time to **Thank Pastor Fluechtling and Mary** for our wonderful Lenten Services “**Guided to the Cross**” As we journeyed each week being **Guided** to Forgiveness, Hope, Love, Peace, Trust, and Perseverance! Our prayers were answered to have weekly services this year.

Thank you Pastor Buss and Marie for driving the long distance to be with us on **Palm Sunday and Easter!** The Palm Sunday Sermon was so inspiring to begin each day of the week with knowing what Jesus was doing on this day and then to ask what’s on my calendar! Your commitment and encouragement to our St. Paul Church Family is truly an answer to our prayers on moving forward and seeking God’s will for His church.

Thank you Henry and Mary Sella for your time and talents with cooking and creating these delicious meals with each service! Again, an answer to prayer to enjoy Food, Fellowship and Faith!

The Power of Prayer! As we **all** continue to pray for God's guidance and wisdom for St. Paul Church, we received an answer to **Prayer**, what do we do **next** and the answer came to try a whole church Bible Study! Our God is Awesome!!

For the month of April, we will be using The Lutheran Woman's Quarterly Bible Study "**Take My Life**" by Anne Boerboom, to be our guide. This Bible study is new for the Spring 2024! Hot off the presses!. We will alter this a little to fit the prayers for all our church members, don't worry men we are not leaving you out, as well as our teens and young adults!.

"Take My Life and Let It Be" LSB 783 We will use verses 1 and 2 as our prayers for the next week, each week we will add a verse or two. This will be posted in the weekly Church Bulletin. A complete Bible Study is attached for everyone to look over and answer the questions on your own time. Then each week we can share our thoughts and what we hear as The Holy Spirits response to our prayers. You can post responses on our **Interactive Bulletin Board**. There is more to come!!.

Thank You for encouraging us and joining us in this new and exciting Bible Study brought to you by Evangelism and Stewardship.
